

BUILD Phase Partnership Goals 2021/22

Response ID:15 Data

1. BUILD Phase Partnership Goals

1. Partnership Name

AAAT2

2. Today's date

01/17/2022

3. Our main goal(s) as a partnership this year is / are to:

Develop the Peer Review model
Consistency around 'living' the trust vision and giving us the ability to articulate this.
Sharing the very best practice and cascading it

4. We specifically want to get better as a partnership at:

Get better an inclusive practices
Everyone taking responsibility like we used to (there has been a -ve impact of covid)
Communicating the agreed principles and sustaining them.

5. Our main concern(s) at the moment are:

In addition to COVID..
Capacity to take part and sustain and worried about further burdening staff and overwhelming them
Clarity around roles and ensuring it works for schools that are already linked (eg Stone & st Mary)
Tying in this initiative with other new ones (EFA)
Over burdening the Inclusion leads and defining who does what
Making the model bespoke to the school based on their context/starting points

6. We have confidence in our collective ability to:

Work well together
Building on existing relationship (challenge and respect) - Critical colleagues
Support less experienced colleagues

7. Anything else / other comments?

Clarity of dates.
How effective if on-line.
