2. Today's date

01/17/2022

3. Our main goal(s) as a partnership this year is / are to:

Improve quality of provision for more able pupils and pupils with EAL/SEND.
Leadership training to develop understanding of peer review process, collaborative partnerships and school evaluation/improvement.

4. We specifically want to get better as a partnership at:

Focus on provision for more able pupils.
Quality first teaching supporting pupils with EAL/SEND.

5. Our main concern(s) at the moment are:

Staffing issues interrupting provision to meet pupils' needs.

6. We have confidence in our collective ability to:

Collaborate. One school happy with provision for EAL when staffing not an issue.
