Response ID:18 Data

1. BUILD Phase Partnership Goals

1. Partnership Name

KCSP Cluster 2

2. Today's date

01/17/2022

3. Our main goal(s) as a partnership this year is / are to:

Understand current barriers to inclusion, using research to inform where our efforts should be focused, leading to improved teaching and learning.

4. We specifically want to get better as a partnership at:

learning from the good practice in other schools and developing strategies for ensuring follow through in inclusive practices.

5. Our main concern(s) at the moment are:

Poor capacity in terms of time and personnel to give necessary priority to this initiative.

6. We have confidence in our collective ability to:

Work together in a non-judgmental way.
